SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on June 17, 2022 at 87 FR 36537.

A. Overview of Information Collection

Title of Information Collection: Management Review for Multifamily Housing Projects.

OMB Approval Number: 2502-0178.

Type of Request: Reinstatement, without change, of previously approved collection for which approval has expired.

Form Number: HUD-9834.

Description of the need for the information and proposed use: This information collection is used by HUD, by Mortgagees and by Contract Administrators (CAs) to evaluate the quality of project management; determine the causes of project problems; devise corrective actions to stabilize projects and prevent defaults; and to ensure that fraud, waste and mismanagement are not problems for the community. The information collected also supports enforcement actions when owners fail to implement corrective actions. “HUD is currently engaged in rule making that would reduce the frequency of MORs for high-performing properties and consequently reduce the estimated total burden hours for this Collection. Changes to required frequencies for regularly-scheduled MORs are anticipated to be completed with publication of a final rule anticipated in this year, 2022.”

Respondents: Business or other for-profit.

Estimated Number of Respondents: 27,127.

Estimated Number of Responses: 27,127.

Frequency of Response: Annually.

Average Hours per Response: 8.

Total Estimated Burden: 217,127.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
- (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.
